

# LISTE VOCABULAIRE

## CHAPITRE 1

### ANATOMY

#### The face and the neck

|                       |              |
|-----------------------|--------------|
| HEAD                  | TETE         |
| FOREHEAD              | FRONT        |
| NOSE                  | NEZ          |
| MOUTH                 | BOUCHE       |
| EYE(S)                | OEIL (YEUX)  |
| HAIR (singulier)      | CHEVEUX      |
| HAIRS                 | POILS        |
| CHIN                  | MENTON       |
| NAPE/BACK OF THE NECK | NUQUE        |
| EAR(S)                | OREILLE(S)   |
| LIP                   | LEVRE        |
| TONGUE                | LANGUE       |
| TOOTH (TEETH)         | DENT (DENTS) |
| CHEEK                 | JOUE         |
| NECK                  | COU          |
| THROAT                | GORGE        |
| TONSILS               | AMYGDALES    |
| LARYNX                | LARYNX       |
| TRACHEA/WINDPIPE      | TRACHEE      |

#### The body

|                     |                                |
|---------------------|--------------------------------|
| LIMBS (UPPER,LOWER) | MEMBRES(SUPERIEURS,INFERIEURS) |
| ARM                 | BRAS                           |
| FOREARM             | AVANT-BRAS                     |
| HAND                | MAIN                           |
| PALM                | PAUME                          |
| FINGER              | DOIGT                          |
| THUMB               | POUCE                          |
| NAIL                | ONGLE                          |
| CHEST               | TORSE                          |
| BREAST              | POITRINE/SEIN                  |
| ABDOMEN             | ABDOMEN                        |
| WAIST               | TAILLE                         |
| TUMMY/BELLY         | VENTRE                         |
| NAVEL               | NOMBRIL                        |
| BACK                | DOS                            |
| BOTTOM/BUTTOCKS/BUM | FESSES                         |

|             |                      |
|-------------|----------------------|
| LEG         | JAMBE                |
| THIGH       | CUISSE               |
| CALF        | MOLLET               |
| HEEL        | TALON                |
| FOOT (FEET) | PIED(S)              |
| SOLE        | PLANTE DES PIEDS     |
| TOE         | DOIGT DE PIED/ORTEIL |

### **The joints (or articulations)**

|          |          |
|----------|----------|
| JAW      | MACHOIRE |
| SHOULDER | EPAULE   |
| ELBOW    | COUDE    |
| WRIST    | POIGNET  |
| PELVIS   | BASSIN   |
| HIP      | HANCHE   |
| KNEE     | GENOU    |
| ANKLE    | CHEVILLE |

### **The skeleton**

|                        |                    |
|------------------------|--------------------|
| SKULL                  | CRANE              |
| JAW/MANDIBLE           | MACHOIRE           |
| VERTEBRAL COLUMN/SPINE | COLONNE VERTEBRALE |
| CLAVICLE/COLLAR BONE   | CLAVICULE          |
| SCAPULA/SHOULDER BLADE | OMOPLATE           |
| STERNUM/BREAST BONE    | STERNUM            |
| RIBS                   | COTES              |
| HUMERUS                | HUMERUS            |
| RADIUS                 | RADIUS             |
| ULNA                   | CUBITUS            |
| PHALANGES              | PHALANGES          |
| SACRUM                 | SACRUM             |
| FEMUR                  | FEMUR              |
| PATELLA                | ROTULE             |
| FIBULA                 | PERONE             |
| TIBIA/SHIN             | TIBIA              |
| METATARSALS            | METATARSES         |

### **The organs**

|             |                 |
|-------------|-----------------|
| BRAIN       | CERVEAU         |
| CERBELLUM   | CERVELET        |
| SPINAL CORD | BULBE RACHIDIEN |
| MEDULLA     | MOELLE EPINIÈRE |
| HEART       | COEUR           |

|                     |                            |
|---------------------|----------------------------|
| ARTERY              | ARTERE                     |
| VEIN                | VEINE                      |
| ATRIUM (LEFT/RIGHT) | OREILLETTE (GAUCHE/DROITE) |
| AORTA               | AORTE                      |
| VENTRICLE           | VENTRICULE                 |
| VENA CAVA           | VEINE CAVE                 |
| LUNGS               | POUMONS                    |
| LIVER               | FOIE                       |
| PANCREAS            | PANCREAS                   |
| GALL BLADDER        | VESICULE BILIAIRE          |
| INTESTINES          | INTESTINS                  |
| SPLEEN              | RATE                       |
| KIDNEY              | REIN                       |
| BLADDER             | VESSIE                     |
| URETHRA             | URETRE                     |

### Some verbs

|              |               |
|--------------|---------------|
| CUT          | COUPER        |
| LACERATE     | LACERER       |
| BANG/KNOCK   | COGNER        |
| BREAK        | CASSER        |
| BURN         | BRULER        |
| BURN ONESELF | SE BRULER     |
| SPRAIN/TWIST | FOULER/TORDRE |
| GRAZE        | ECORCHER      |

### Miscellaneous (divers)

|          |                  |
|----------|------------------|
| SMELL    | ODORAT           |
| TASTE    | GOUT             |
| SIGHT    | VUE              |
| HEARING  | OUÏE             |
| TOUCH    | LE TOUCHER       |
| FEEL     | SENTIR, RESENTIR |
| SEE      | VOIR             |
| TOUCH    | TOUCHER          |
| HEAR     | ENTENDRE         |
| TASTE    | GOUTER           |
| SMELL    | SENTIR           |
| PERSPIRE | TRANSPIRER       |
| SWEAT    | SUER             |
